<u>ICV:</u>

As a registered LCC company we always aim to support local community: Our services to uplift the local community are well known to the PDO ICV Manager.

- Percentage of Omanization at Anwar Fahud is above 32%.
- Procuring the LCC owners' equipment and resources and utilizing them in running projects. (Currently we employ more than 70 of such equipment from various LCC vendors)
- AFPI funds scholarships to local exceptional students and supports them in undergoing English language development courses in Hamra Ad Darou.
- Every year AFPI supports Government Schools of Hamra Al Darou, Al Awaifiyah, Al Ghaba and Qusaiba in running its various activities. Moreover, the students of these schools are facilitated and provided with gifts and accolades to boost their enthusiasm and efforts.
- The camel racing events held every year in Rafash and As Siba Wilayat Ibri, Al Awaifiyah and Al Bateen Wilayat Bahla are also facilitated by AFPO in terms of resources and financial support. Access to these events is provided for the visitors by constructing graded roads which eases flow of traffic.
- The local businessmen in Fahud and Ibri region are supported by hiring their machines, equipment and resources and also providing long term loans/credits for their development.

ICV (cont):

- AFPI takes part in arranging volleyball and football sports events every year during the month of Ramadan in Hamra Al Darou.
- AFPI Workshop at Awaifiyah Camp is open for the locals and other LCCs for assistance to visit and use for repair works free of cost.
- For weddings/marriages, ceremonies of locals assistance is rendered to fulfill all the proper rituals.
- As part of our locals development initiative we have established stalls in Awaifiyah & Hamra Ad Darou for the locals to sell their products.
- The festivals organized recently in Rafash & Hamra Ad Darou, our MD felicitated the winners of camel race event by distributing cars.
- We serve the community by carrying out emergency works such as minor pothole repairs, washout repairs and likewise free of cost as the corridor serves the commuters traveling to and from Salalah which is Face of Oman. (Urgent response to request for pothole repair in Haima by local Municipality and ROP)
- We carryout grading works for the local community as and when required free of cost. Grading and Compaction of parking area in front of Mosque (as shown in picture)

ICV (cont): (Our Plans)

- We are planning to build 2 football playgrounds in Ibri and Hamra ad Darou to facilitate the locals and promote the sports sector of Sultanate of Oman.
- To avoid accidents and cut down crashes due to animal crossing, AFPI has decided to take initiative for distributing glowing bands amongst the camel owners in the interior region free of cost.
- Our upcoming plans include conducting Seminars for the residential areas in interior Fahud to spread awareness of safety while driving amongst the local families and keep them educated over PDO rules for safe driving.
- In consideration to the recent events of fire breakout in houses which claimed a few lives, AFPI has planned to install fire alarms in the residences to maintain safety and promote the advantages of technology.
- In addition to this, we plan to expand the waiting areas and converting it into Air-conditioned units for commuters at Burj As' Sahwa R/A on all the four legs to provide convenience for the people who need to wait for longer durations.
- To beat the heat, we have come up with a plan for installing solar powered air-conditioned shelters in Fahud, Natih R/A, Qarn Alam, Lekhwair, Yibal and other areas where people can avoid direct exposure of considerable amount of heat.

ICV (cont): (Our Plans)

- Development of more than 10% SME companies in terms of providing trainings, management courses, financial support, necessary government and pertinent statutory approvals for start-up, entrepreneurship etc.
- Funding for scholarships of 10 students for sending abroad to undertake English language and other related courses.
- Achieving more Omanization is our main objective and we are committed to reach the proportion of Nationals in our company by up to 60%. Our key plan this year is to provide training to more than 20 Omani Nationals in our firm in various departments and then eventually employing them.

THANK YOU
