IX OUR CLIENTS & PARTNERS

WHO WE ARE

WE ARE GULF DAM ENGINEERING & SERVICES LLC (GDES)

GDES is an independent firm of surveyors, planners, engineers, environmental specialists, logistics handlers and technical specialists offering a broad range of professional services.

We are a National (Omani) Company. An ISO 9001:2015, 14001:2015 & 45001:2018 certified. Classified as SME and approved service provider / vendor as a Local Community Contractor (LCC) for Petroleum Development Oman "PDO" and holding Riyadh Card .

OUR WORK REFLECTS OUR PRIDE; WE MAKE IT OUR NUMBER ONE GOAL TO DELIVER PRACTICAL, YET COST-EFFICIENT SOLUTIONS TAILORED TO MEET CLIENTS' ENGINEERING NEEDS AND SURPASS THEIR PROJECT EXPECTATIONS.

OUR CORE VALUES

We are committed to the sustainability of the communities, our clients' businesses and the environments in which we live and operate. We serve our clients with **PASSION, HONESTY, INTEGRITY & EXCELLENCE** at all levels.

GOAL

Is to deliver a high level of operational support with industry leading levels of safety and quality while leaving a legacy of excellence.

VISION

To be the service provider of choice for Oil and Gas sector in Oman by providing high quality services through loyal relationships, clear communication and creative solutions within our unique work environment, deploying our well-trained, motivated staff and specialist equipment in a safe manner to achieve a high level of customer satisfaction and earn appropriate returns for all stakeholders

MISSION

To provide top quality and integrated services to the oil and gas industry, through well-trained and highly motivated personnel who are supported by a robust resource base and who have a strong HSE commitment so as to ensure customer satisfaction. In this quest for excellence, we have already paved the way to achieve the goal by:

- ◆ Demonstrating an ability to provide safe, economically effective services to an increasing number of regular customers within the Sultanate of Oman.
- ◆ Inducting meticulous measures to ensure Quality.
- ◆ Adopting and implementing ethical policies and behaviors.
- ◆ Providing healthy environment for the employees to progress in life and ensure continuous professional development.

OVERVIEW

GDES offers solutions for various needs in the core of civil & mechanical engineering and logistics support services for the Oil and Gas Industry that include but not limited to procurement, supply, fabrication, infrastructure, maintenance, construction and commissioning services in the oilfields.

Our careful analysis and reliable choices are always designed to meet our customers' exact needs. Our innovative spirit is reflected in every job that we undertake. Our simple yet organized structure means the right people are always easily accessible to our clients.

With more than 15 years of experience and achievements, GDES is now accepted as a leader in their field of operations. Our success has been built on customer satisfaction and loyalty. This satisfaction is based on our performance in the execution of contracts & the reliability of our services & products.

Our continued growth is based on the continuous evaluation of our techniques & personnel through updated technologies & training to new methods & applications in the field.

The various departments work in complete harmony and synchronization to provide the most safe, reliable, & effective services.

GULF DAM IS A PROMINENT NAME IN ELECTRO-MECHANICAL, CIVIL, INSTRUMENTATION, WASTE MANAGEMENT, EARTH MOVING, LOGISTICS AND PROVISION OF RENTAL EQUIPMENT SINCE 2005, SERVING OMAN MARKET WITH TOP QUALITY PRODUCTS AND UNMATCHED CUSTOMER SERVICE.

OUR SERVICES

As one of the well-known engineering firms in Oman, we aim at to set a benchmark of excellence, offering proven capabilities in all areas of services and infrastructure projects, contributing in its implementation, development and management at all levels. Our responsive communication and commitment towards our clients have fostered our ability to maintain an ever-increasing list of reputable clients.

Gulf Dam Engineering and Services LLC delivers a wide range of services covering the full life cycle period of industrial assets, delivering end-to-end services across every major sector with innovative, cost-effective, sustainable solutions that often exceed the boundaries of client expectations from concept to completion.

GULF DAM ENGINEERING & SERVICES LLC COMMITS THE SAME ATTENTION AND EXPERTISE TO EVERY PROJECT THAT WE ARE INVOLVED IN.

OUR COMMITMENT TO HSE IS OUR HIGHEST PRIORITY & WILL NOT BE COMPROMISED.

COMMITMENT TO HSE

Gulf Dam Engineering and Services LLC Health, Safety & Environment Policy is a statement of the values that our organization will bring to our clients in Oman. The methods to achieve our objectives, outlined in the policy are all supported through various elements of our HSE management system. Gulf Dam Engineering and Services LLC will measure and monitor performance against the policy objectives.

HEALTH, SAFETY & ENVIRONMENT POLICY

Gulf Dam Engineering and Services LLC is committed to protecting the health & safety of its employees, contractors & ensuring that our activities are not harmful to the environment or the greater community.

OUR PRINCIPLES

Gulf Dam Engineering and Services LLC believes that all accidents can be prevented; no task is so important that risk of injury to people or damage to the environment is justified. Effective HSE management is a critical foundation for sustainable management.

OUR OBJECTIVES

To achieve ZERO harm to people and the environment.

To show leadership in the field of HSE management.

To work in a responsible and sustainable manner.

OUR METHODS

Gulf Dam Engineering and Services LLC will strive to meet these objectives by:

- ◆ Promoting a positive culture based on improving our HSE performance.
- ◆ Complying as a minimum with the law of the Sultanate of Oman.
- ◆ Eliminating hazards, practices and behaviors that could cause accidents, injuries or illness.
- ◆ Implementing controls to eliminate pollution and environmental harm.
- ◆ Providing training and resources for staff to maintain safe systems of work.
- ◆ Integrating HSE management into all aspects of the organization.
- ◆ Continuously monitor, assess and improve the effectiveness of our HSE management systems.
- ◆ Employing contractors who aspire to the company's high HSE standards.
- ◆ Reporting publicly and annually on HSE performance, measured against objectives and targets.

This Policy applies to all works conducted by GULF DAM ENGINEERING & SERVICES LLC

**QUALITY SERVICE AND THE RIGHT PRICE
IS A COMBINATION THAT MAKES
US UNIQUE.**

GULF DAM'S QUALITY MANAGEMENT SYSTEM ADDS VALUE

Gulf Dam Engineering & Services LLC is committed to establish and maintain a Quality Policy of enhanced customer satisfaction through the following Objectives:

- ◆ Continual improvement of the Quality of Processes and Services in contracts execution
- ◆ Maintain an effective management system that is user friendly, adds value to our operations and exceeds the requirements of ISO 9001:2015
- ◆ Planning and resourcing the right inputs to achieve the Quality and HSE (Health, Safety and Environment) requirements
- ◆ Ensuring that Quality objectives relevant to functions and levels within the organization are established, measurable and consistent with the Quality Policy
- ◆ Entrust the responsibility of quality to all GDES personnel
- ◆ Ensure that all employees are competent, understand their roles and are encouraged to contribute to our continued success.

MANAGEMENT STATEMENT

GDES management commits its best efforts to achieve the following targets:

- ◆ To conduct our business aiming for the highest ethical standards possible
- ◆ To ensure the well-being of the surrounding community
 - To ensure a work climate that embraces diversity
- ◆ To offer our personnel the continued career development and self-enhancement
- ◆ To provide a safe, healthy and enabling work environment
- ◆ To provide our customers with valuable cost-effective services

IN-COUNTRY VALUE (ICV)

Preference is always given to Omani goods and services. The practices towards ICV include:

- ◆ Making use of our extensive knowledge of the local market.
- ◆ Correct sizing of each project scope to match suppliers' current capabilities with a realistic view
- ◆ regarding the goods and services available from Omani entities and where not available seek to
- ◆ identify potential development opportunities.
- ◆ Support development of Omani suppliers and service providers.
- ◆ Inclusion of Omani suppliers in all tenders where possible.

OUR COMMITMENT TO OMANISATION

Gulf Dam is committed to the training and up-skilling of Omani nationals. Regular performance monitoring and assessments are done to review their career paths, job evaluation & future development potential. Our development program includes mentorship, on-the-job and external training provisions. GDES's achievements in ICV and Omanisation are recordable within its industry segment.

ACCREDITATION

GDES integrated management system is designed to ensure its customers' quality expectations are exceeded. The environmental policies also allow us to operate with minimal impact to the ecological system around our operational areas. We undertake activities and initiatives to foster a sustainable future.

GDES is an ISO 9001:2015, 14001:2015 & 45001:2018 certified company.

GDES is registered with the Oman Tender Board as an "Excellent Grade Contractor". GDES is also registered with Ministry of Oil & Gas, the Oman Society for Petroleum Services (OPAL), Joint Supplier Registration System (JSRS).

Gulf Dam Engineering and Services Co. is compliant with OPAL standards and specs.

**OUR PRIORITY IS DELIVERING SERVICES SAFELY AT THE HIGHEST
QUALITY TO OUR CUSTOMERS**
