Business Studio Wi-Fi for Your Journey

This flight offers Wi-Fi service so you can stay connected through your personal device for an enhanced journey with us today. For the best online experience, we recommend that you turn off background apps and keep video streaming and photo sharing to a minimum.

To start enjoying your 3 free hours, simply follow the steps below:

1. Enable Wi-Fi on your personal device and select **OnAir Hotspot**
2. Launch your web browser to access the log-in portal
3. Select **E-Ticket Number** or **Promo Code** (scratch the silver strip below to get the promo code)
4. Enter your E-Ticket Number or Promo Code along with your email address
5. Accept the user Terms and Conditions
6. Connect and enjoy 3 hours on us!
